

Delhi Book Launch

Delhi Book Launch (9 March)

The final Indian launch for my new book on Sri Lanka, held at the [India International Centre](#) in Delhi. High-level panel and group of participants, thoughtful discussion of the lessons learned from Norway – and earlier India's – experience in Sri Lanka. Many thanks to [Lalit Mansingh](#) and colleagues at the [Forum for Strategic Initiatives \(FSI\)](#) for hosting and organizing the event.
